TERMS:

1. License Grant.

A. In consideration for the applicable license fee timely paid, compliance with the terms and conditions of this Agreement, and other good and valuable consideration, Cognex grants to Licensee only, unless otherwise limited by the license purchased or granted, the limited, nonexclusive, nontransferable (except as expressly set forth in Section 11), world-wide right, during the subscription period set forth in the Order Form to (i) use, copy, store and transmit the Software solely to integrate the Software into the Licensee Application, (ii) distribute the Software as part of the Licensee Application, and (iii) publicly display, perform and use the Software solely as integrated into the Licensee Application, in each case in accordance with this Agreement and the license defined herein that Licensee purchases ("**License**"). Licensee may not sublicense the foregoing License rights to any third party. If You are installing, accessing or using this Software for Your employer, this Agreement also includes Your employer. Licensee may only use the Software according to the terms of this Agreement.

B. Licensee must enter into an end user agreement with each User (a "**User Agreement**") that provides that Users may not create any derivative work of the Licensee Application, or decompile, reverse engineer or otherwise attempt to derive the source code, underlying ideas, algorithms, structure or organization of the Licensee Application, except to the extent required by applicable law. Licensee's User Agreement must further provide that any warranty, indemnification or liability offered or provided by Licensee to its Users comes solely from Licensee, not from Cognex.

C. **No Right to Resell.** Cognex does not grant to Licensee, and Licensee does not have under this Agreement, any right to resell or distribute the Software to any third party on a standalone basis. Any such resale or distribution of the Software on a standalone basis requires a separate written reseller and/or distribution agreement, which separate written agreement Cognex may grant, condition or deny to Licensee in Cognex's sole discretion.

D. **Free Trial.** If Licensee registers for any Software on a free trial, evaluation or demonstration basis through Cognex's website, Cognex will make such Software available to Licensee on a trial basis free of charge until the earlier of (a) the end of the free trial period for which Licensee registered to use the Software, or (b) the start date of any subscriptions or license term in one or more Order Forms ordered by Licensee and accepted by Cognex for such Software, or (c) termination by Cognex in Cognex's sole discretion. Additional trial terms and conditions may appear on the trial registration web page. Any such additional terms and conditions are incorporated into this Agreement by reference and are legally binding. ANY DATA LICENSEE ENTERS INTO THE SOFTWARE, AND ANY CUSTOMIZATIONS MADE TO THE SOFTWARE BY OR FOR LICENSEE, DURING LICENSEE'S FREE TRIAL WILL BE PERMANENTLY LOST UNLESS LICENSEE ORDERS THE SAME SOFTWARE AS COVERED BY THE TRIAL, OR EXPORTS SUCH DATA, BEFORE THE END OF THE TRIAL PERIOD. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, DURING THE FREE TRIAL PERIOD THE SOFTWARE IS PROVIDED "AS-IS" WITHOUT ANY WARRANTY OF ANY KIND WHATSOEVER, WHETHER EXPRESS, IMPLIED OR STATUTORY, AND COGNEX DISCLAIMS ANY AND ALL SUCH WARRANTIES. BY DOWNLOADING, ACCESSING OR USING THE SOFTWARE ON SUCH A BASIS, LICENSEE ACCEPTS THE SOFTWARE ON AN "AS IS" BASIS AND WAIVES ALL EXPRESS AND IMPLIED WARRANTIES AND CONDITIONS DURING SUCH PERIOD OF USE. NO SUPPORT OR SERVICE LEVEL OBLIGATIONS OF COGNEX SHALL APPLY TO SUCH FREE TRIAL USE.

2. Registration; Order Process; Fees; Suspension.

If Licensee purchases the License directly from Cognex, registration is automatic at the time of purchase. If Licensee purchases the License from an authorized reseller, Licensee must register the License by contacting sdksales@cognex.com before technical support or upgrades for the Software can be made available. Licensee shall order Software or Services by executing an Order Form (manually or submitting the Order Form electronically on Cognex's website).

Except as otherwise specified in this Agreement or in an Order Form, all payment obligations of Licensee are non-cancelable and fees paid are non-refundable. Unless otherwise agreed to in writing, all payments shall be made upfront by the methods set forth in the applicable Order Form or offered on Cognex's website for the Software. Any invoices will be issued and sent to Licensee and are payable by Licensee as specified in the Order Form. In the event Licensee fails to make payments per payment terms as set forth in this Agreement or in any applicable Order Form, and legal enforcement or third party collection efforts by Cognex is deemed necessary, Licensee agrees to pay all reasonable legal fees and costs incurred by Cognex. If any amount owing by Licensee under this Agreement is 30 or more days overdue (or 10 or more days overdue in the case of amounts Licensee has authorized Cognex to charge to Licensee's credit card), Cognex may, without limiting its other rights and remedies, accelerate Licensee's unpaid fee obligations under such agreements so that all such obligations become immediately due and payable, and suspend Licensee's access to and use of the Software until such amounts are paid in full. Other than license suspension due to Licensee's payment by credit card or direct debit which payment has been declined, Cognex will give Licensee at least 10 days' prior notice that Licensee's account is overdue before suspending services to Licensee. In the event that Licensee's business practices require a purchase order number be issued prior to payment of any Cognex invoices issued pursuant to an Order Form, then such purchase order number must be provided to Cognex prior to the Effective Date of such Order Form, and Cognex will not release any Authentication Files or other license keys to the Software or otherwise provide the Software and/or Services until Cognex has received payment on the applicable invoice. Licensee's execution and delivery of an applicable Order Form to Cognex without designating a purchase order number shall be deemed an acknowledgement that no purchase order number is required for payment of invoices under such Order Form. Additionally, terms, provisions or conditions on any purchase order, acknowledgement, or other business form or writing that Licensee may provide to Cognex or use in connection with the procurement of Services from Cognex will have no effect on the rights, duties or obligations of the parties hereunder, regardless of any failure of Cognex to object to such terms, provisions or conditions.

All License fee payments shall be made in U.S. dollars. Licensee shall be responsible for and shall pay, and shall reimburse Cognex upon request if Cognex is required to pay, any sales, use, VAT, consumption or other tax (excluding any tax based on Licensee's net income), assessment, duty, tariff, or other fee or charge of any kind that is levied or imposed by any governmental authority on the Software. Licensee shall pay all fees set out in the applicable Order Form(s).

3. Ownership and Restrictions.

By downloading, installing, using, or implementing this Software, Licensee acknowledges the validity and enforceability of Cognex's copyright in the underlying software and code comprising the Software. The Software and the accompanying materials are licensed, not sold, to Licensee. Cognex does not grant any implied licenses under this Agreement or otherwise, and Cognex reserves all rights not expressly granted to Licensee under this Agreement. Cognex retains all right, title and interest in and to the Software, including any derivative works based upon the Software, and all materials, concepts, inventions, works of authorship, ideas and information related to the Software. Cognex, and/or its licensors, own and shall retain all right, title, and interest in and to: (i) the Cognex Software, including all intellectual property rights embodied therein; (ii) all of the service marks, trademarks, trade names, or any other designations associated with the Cognex Software; and (iii) all copyrights, patent rights, trade secret rights, and other proprietary rights relating to the Cognex Software. The Cognex Software is protected by copyright and other intellectual property laws and treaties. Licensee shall immediately notify Cognex of any known unauthorized access or use of any portion of the SDK or associated Software.

Licensee shall not rent, lease, display, resell or distribute copies of the Software to others except as expressly set forth in, and subject to the conditions of, this Agreement. Unauthorized copying of the Software or accompanying materials even if modified, merged, or included with other software, or of the written materials, is expressly forbidden. Licensee may be held legally responsible for any infringement of intellectual property rights that is caused or encouraged by Licensee's failure to abide by the terms of this Agreement. Licensee may make copies of the Software as needed for development and use consistent with the terms and conditions of this Agreement, provided that the number of copies made does not exceed the number of users allowed by the License purchased, as set forth in this Agreement. Licensee may also make a reasonable, limited number of archival copies of the Software solely for backup and recovery purposes. In any case, when a copy is created, any copyright notices included in the Software must be reproduced in their entirety on the copy.

engineer or attempt to reconstruct or discover any source code or underlying ideas, file formats, interoperability interfaces or algorithms of the Licensed Software by any means whatsoever; (ii) remove any identification, copyright, or other notices from the Licensed Software; (iii) lease, lend or use the Licensed Software for timesharing or service bureau purposes; (iv) except as expressly authorized herein with respect to the Licensee Application, create a derivative work of any part of the Software; or (v) develop methods to enable unauthorized parties to use the Software. Licensee shall not provide or otherwise make available the Software or any part or copies thereof in any form to any third party, except as provided herein and to the extent applicable, unless so authorized in writing by Cognex. Licensee shall not permit any lien, security interest or other encumbrance to attach to the SDK or Software. Licensee is expressly prohibited from using any portion or version of the Licensed Software with any other software or copyrighted work in such a way that any portion or version of the Licensed Software would be required by the license terms applicable to the other software or work to be (a) made available in source code form, (b) made available without charge or at minimal charge, (c) licensed for the creation of derivative works or (d) which would require Cognex or its licensors to grant any third party any rights or immunities under any intellectual property owned by or licensed to Cognex. Portions of the Licensed Software may include one or more components that are derived from software subject to a General Public License (“**GPL**”), Lesser General Public License (“**LGPL**”) or other open source license. Any such components are licensed exclusively under the GPL, LGPL or other open source license, as applicable, and not under the software license terms hereinabove.

Neither the Licensee Application nor Licensee’s use of the Software shall (i) be false, inaccurate or misleading; (ii) infringe on any third party’s copyright, patent, trademark, trade secret or other intellectual property or proprietary rights; (iii) be offensive, defamatory, trade libelous, threatening or harassing; (iv) contain any viruses or other computer programming routines that may damage, detrimentally interfere with, surreptitiously intercept or expropriate any system or data; or (v) otherwise create any liability for Cognex.

All Software Authentication Files, user names and passwords provided by Cognex are the property of Cognex, and may be revoked by Cognex if Licensee shares them with a third party (except as expressly authorized under this Agreement), if they are compromised, if Licensee breaches any term of this Agreement, or upon any termination of this Agreement. Licensee shall obfuscate the Software Authentication Files, user names and passwords to ensure that they are not accessible to, and cannot be decompiled by, any third party.

U.S. Government License. This Section applies only when Licensee is the United States Government or an agency thereof. The Software is (i) a “Commercial Item” as defined in 48 CFR 2.101, (ii) provided only as “Commercial Computer Software” and/or “Commercial Computer Software Documentation” and (iii) subject to the provisions of 48 CFR 12.212 or 48 CFR 227.7202, as applicable, or successor provisions. Any Software which is acquired directly or indirectly for or on behalf of the United States of America, its agencies and/or instrumentalities (“**U.S. Government**”), is provided only with those rights granted to other end users herein and pursuant to the terms hereof, and use, duplication, or disclosure by the U.S. Government is further subject to subparagraphs (c)(1) and (c)(2) of the Commercial Computer Software - Restricted Rights clause at 48 CFR 52.227-19, as applicable. Manufacturer is Cognex Corporation, One Vision Drive, Natick, MA 01760-2059. The Software is licensed on the open market at market prices, and was developed entirely at private expense and without the use of any U.S. Government funds.

4. Agreement Duration and Termination. Subject to the terms and conditions of this Agreement, this Agreement begins when the Software is downloaded, installed, used or when a License for Software is purchased or granted and continues for the subscription period set forth on the applicable Order Form, unless sooner terminated as provided in this Agreement. This Agreement may be renewed for subsequent subscription periods by payment of the license fee set forth in the applicable Order Form. This Agreement shall supersede all older versions of this Agreement including any older Agreements that may be embedded in the Software. Licensee may terminate this Agreement at any time by returning the Software to Cognex and destroying all copies thereof and ceasing all use, copying, storage, transmission, integration, distribution, public display and performance of the Software. License fees paid are non-refundable. This Agreement shall terminate immediately upon notice from Cognex if Licensee fails to comply with any provision contained herein or if the funds paid for the license are returned as insufficient or are not received, and such failure or breach is not cured within thirty (30) days of such notice. Upon termination, Licensee must destroy the Software and all copies (in part and in whole, including modified copies, if any) in its possession or control and remove the Software from all computers in Licensee’s possession or control. Termination of this Agreement shall not affect the Software bundled and distributed with a Licensee Application and provided to then-existing customers of Licensee under a User Agreement in accordance with the terms of this Agreement, provided that such User Agreement was valid at the time of its execution and such Licensee customer is in full compliance with the terms and conditions of this Agreement and the User Agreement. All restrictions prohibiting Licensee's use of the Software and intellectual property provisions relating to Software to the benefit of Cognex shall survive

termination of this Agreement. Licensee's obligation to pay accrued charges and fees shall survive any termination of this Agreement.

5. Disclaimer of Warranty. THE SOFTWARE IS LICENSED TO LICENSEE AS IS, WITH ALL FAULTS AND WITHOUT WARRANTIES OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED BY LAW, COGNEX DISCLAIMS ALL WARRANTIES AND CONDITIONS WITH RESPECT TO THE SOFTWARE, WHETHER EXPRESSED, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE, OF SATISFACTORY QUALITY, OF ACCURACY, OF QUIET ENJOYMENT, OF RELIABILITY, OF COMPLETENESS OR LACK OF VIRUSES; WARRANTIES ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE AND ANY WARRANTY OF NON-INFRINGEMENT OF THIRD PARTY RIGHTS. COGNEX DOES NOT WARRANT AGAINST INTERFERENCE WITH LICENSEE'S ENJOYMENT OF THE SOFTWARE, THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE WILL MEET LICENSEE'S REQUIREMENTS, THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE SOFTWARE OR SERVICES WILL BE CORRECTED. LICENSEE, ITS ORGANIZATION, AND ALL USERS OF THE SOFTWARE, ASSUME ALL RISKS WHEN USING THE SOFTWARE.

6. Limitation of Liability; Exclusion of Certain Damages. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL COGNEX BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE OR SPECIAL DAMAGES WHATSOEVER UNDER THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, LOSS OF DATA, BUSINESS INTERRUPTION, PERSONAL INJURY, LOSS OF PRIVACY, FAILURE TO MEET ANY DUTY, INCLUDING DUTY OF GOOD FAITH OR OF REASONABLE CARE, FOR NEGLIGENCE OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES WHATSOEVER, ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE OR THE PROVISION OF OR FAILURE TO PROVIDE SUPPORT SERVICES OR HOSTED SERVICES, OR OTHERWISE ARISING OUT OF THIS AGREEMENT, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY) AND EVEN IF COGNEX HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN ANY EVENT, COGNEX'S ENTIRE LIABILITY UNDER ANY PROVISION OF THIS AGREEMENT, AND LICENSEE'S EXCLUSIVE REMEDY HEREUNDER, SHALL BE LIMITED TO THE AMOUNT ACTUALLY PAID BY LICENSEE TO COGNEX FOR THE LICENSE TO THE SOFTWARE FOR THE SIX MONTHS IMMEDIATELY PRECEDING THE INCIDENT, OR \$10.00 USD IF NO LICENSE WAS PURCHASED. THE FOREGOING LIMITATIONS, EXCLUSIONS AND DISCLAIMERS SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EVEN IF ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE. IN NO EVENT SHALL COGNEX HAVE ANY LIABILITY WHATSOEVER RELATED IN CONNECTION WITH LICENSEE'S OR LICENSEE'S USERS' OR CUSTOMERS' USE OR MISUSE OF THE SOFTWARE THAT IS NOT EXPRESSLY PERMITTED UNDER THIS AGREEMENT.

7. Technical Support. Cognex provides technical manuals to adequately familiarize Licensee with the Software and to assist in application development. Additional support, maintenance plans and service, including training, are available and will be quoted upon request.

8. Export Clause. Licensee acknowledges that the Software is of U.S. origin and agrees not to export or re-export the Software or any copy or adaptation except as authorized by United States law and the laws of the jurisdiction in which the Software was obtained. In particular, but without limitation, the Software may not be exported or re-exported (a) into any U.S. embargoed countries or (b) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce Denied Person's List or Entity List. By using the Software, Licensee represents that it is not located in any such country or on any such list. Licensee also agrees that it will not use the Software for any purposes prohibited by United States law, including, but not limited to, the design, development, manufacture or production of missiles, or nuclear, chemical or biological weapons.

9. Indemnification.

A. Indemnification by Licensee. The Software is an infrastructure tool intended for use with properly licensed applications, media and content supplied by Licensee (the "**Materials**"). It is Licensee's responsibility to ascertain whether any copyright, patent, trademark or other licenses are necessary and to obtain any such licenses to serve and/or create, compress or download such Materials. Licensee agrees to hold harmless, indemnify and defend Cognex, its officers, directors and employees, from and against any losses, damages, fines and expenses (including attorneys' fees and expenses at the trial and appellate levels) arising out of or relating to (i) any claims that Licensee has used any Materials (other than

materials provided to Licensee by Cognex) in connection with the Software in violation of another party's rights or in violation of any law, (ii) an alleged or actual breach of any representation or warranty set forth in this Agreement by Licensee; (iii) Licensee's or its users or customers' use of the Software that is not expressly permitted under this Agreement, or (iv) any breach by Licensee of this Agreement or the License.

B. Indemnification by Cognex. Cognex agrees to indemnify and defend Licensee against any court awarded expenses, losses, or damages to the extent arising out of a third party claim alleging that the Software, as delivered hereunder, standing alone and unmodified, infringes upon a U.S. patent or copyright, provided that Licensee provides prompt written notice of such claim to Cognex, grants Cognex the sole right to control, defend and settle such claim, and provides Cognex with all reasonable assistance at Cognex's expense. In the event of a claim or threatened claim under this Section by a third party, Cognex shall either, at its sole option: (a) revise the Software so that it is no longer infringing, or (b) obtain the right for Licensee to continue using the Software. If neither option (a) nor (b) above is practicable, then Cognex may (c) terminate the Agreement upon 90 days' notice and refund any pro-rata unused, pre-paid license fees received by Cognex. Cognex shall have no liability if the alleged infringement is based upon (1) combination with non-Cognex products; (2) use for a purpose or in a manner for which the Software was not designed or intended; (3) use of any older version of Software when use of a newer revision would have avoided the infringement and Licensee has been informed by Cognex about this; (4) any Licensee modification made without Cognex's prior written approval; (5) any modification made by Cognex pursuant to Licensee's (or Licensee's end user Licensee's, where applicable) specific instructions; or (6) any intellectual property right owned by Licensee or licensed from a third party by Licensee (or Licensee's end user Licensees, where applicable) or any of their affiliates. NOTWITHSTANDING THE FOREGOING, IN NO EVENT SHALL COGNEX'S LIABILITY TO LICENSEE UNDER THIS SECTION 9(B) EXCEED THE AMOUNT PAID BY LICENSEE TO COGNEX FOR ANY ALLEGEDLY INFRINGING SOFTWARE DURING THE SIX MONTHS IMMEDIATELY PRECEDING THE ACTION THAT GAVE RISE TO THE CLAIM. THIS SECTION 9(B) AND SECTION 6 STATE LICENSEE'S SOLE AND EXCLUSIVE REMEDY AND COGNEX'S ENTIRE LIABILITY TO LICENSEE FOR THIRD PARTY INFRINGEMENT CLAIMS.

The indemnifying party's obligations under this Section 9 are conditioned upon the indemnified party (i) notifying the indemnifying party promptly in writing as to any such claim, suit or proceeding, (ii) granting the indemnified party sole control over the defense and settlement thereof, and (iii) reasonably cooperating in response to a request from the indemnifying party for assistance.

10. Effect of Termination. Upon termination of this Agreement, your Authentication Files (if any) will be revoked automatically, all licenses granted hereunder will terminate automatically, and Licensee will pay all outstanding fees due to Cognex. Licensee must destroy the Software and all copies (in part and in whole, including modified copies, if any) in its possession or control and remove the Software from all computers in Licensee's possession or control. The following provisions will survive termination of this Agreement: (i) any obligation of Licensee to pay for services rendered before termination; (ii) Sections 5, 6, 9, 10 and 13 of this Agreement; and (iii) any other provision of this Agreement that must survive termination to fulfill its essential purpose.

11. Assignment. This Agreement may not be assigned or transferred by Licensee without the prior written consent of Cognex.

12. Software Audit. Cognex may conduct an onsite or remote audit of Licensee's use of the Software on 10 days' advanced written notice, to determine whether Licensee's use of the Software is in conformance with this Agreement. Licensee will reasonably cooperate with the audit, including by providing access to any books, computers, records, or other information that relate or may relate to use of the Software. Such audit will not unreasonably interfere with Licensee's business activities. In the event that an audit reveals unauthorized use of the Software, Licensee will reimburse Cognex for the reasonable cost of the audit, in addition to such other rights and remedies as Cognex may have. Cognex will not conduct an audit more than once per calendar year during the term of this Agreement.

13. Equitable Relief. A breach of this Agreement adversely affecting Cognex's intellectual property rights will cause irreparable harm to Cognex for which monetary damages will not be an adequate remedy. Cognex shall therefore be entitled to equitable relief in any court of competent jurisdiction, in addition to any remedies it may have hereunder or at law.

14. Miscellaneous. This Agreement sets forth the entire understanding and agreement between Licensee and Cognex regarding its subject matter and may be amended or modified only in a writing signed by authorized representatives of both parties. This Agreement may not otherwise be amended except in a writing signed by Cognex and Licensee. Licensee

shall not make any representation, warranty or promise to any third party on behalf of Cognex. Terms and conditions in any purchase order which differ from, conflict with, or are not included in this Agreement, shall not become part of this Agreement unless specifically accepted by Cognex in writing. If any provision of this License Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable, and such decision shall not affect the enforceability of such provision under other circumstances, or of the remaining provisions hereof under all circumstances. This Agreement will be governed by and interpreted in accordance with the laws of the Commonwealth of Massachusetts, excluding its conflicts of laws provisions and United Nations Convention on Contracts for the International Sale of Goods. Licensee hereby consents to the exclusive jurisdiction of the state and federal courts sitting in the Commonwealth of Massachusetts, U.S.A. Failure by Cognex to enforce any provision of this Agreement will not be deemed a waiver of future enforcement of that or any other provision, nor will any single or partial exercise of any right or power hereunder preclude further exercise of any other right hereunder. The relationship between Cognex and Licensee under this Agreement is intended to be that of licensor and licensee. Nothing in this Agreement shall be construed to create any partnership, joint venture, employer-employee or agency relationship of any kind. Neither party has any authority under this Agreement to assume or create any obligations on behalf of or in the name of the other party or to bind the other party to any contract, agreement or undertaking any third party.
