A.      In consideration for the applicable license fee timely paid, compliance with the terms and conditions of this Agreement, and other good and valuable consideration, Cognex grants to Licensee and its Affiliates, unless otherwise limited by the license purchased or granted, the limited, nonexclusive, nontransferable (except as expressly set forth in Section 11), world-wide right, during the subscription period set forth in the Order Form to (i) use, copy and store the Software Development Kit solely to integrate the Software Libraries into the Licensee Application, (ii) distribute the Software Libraries as part of the Licensee Application, and (iii) publicly display, perform and use the Software Libraries solely as integrated into the Licensee Application, in each case in accordance with this Agreement and the license defined herein that Licensee purchases ("**License**"). Licensee may not sublicense the foregoing License rights to any third party. If You are installing, accessing or using this Software Development Kit for Your employer, this Agreement also includes Your employer. Licensee may only use the Software Development Kit according to the terms of this Agreement.

B.      **Sample Source Code License**.  The SDK may contain sample source code that Licensee is permitted to include in Licensee's applications subject to this Sample Source Code License.  Subject to Licensee's compliance with all terms and conditions of this Agreement, Cognex grants to Licensee a world-wide, non-exclusive, personal, nontransferable, limited, royalty free license (the "Sample Source Code License") to modify and copy the sample source code and to develop and distribute the sample source code as part of the Licensee Application, in object code form.

C.      Licensee must enter into an end user agreement with each User (a "**User Agreement**") that provides that Users may not decompile or reverse engineer or otherwise attempt to derive the source code or algorithms of the Licensee Application, except to the extent required by applicable law.  Licensee's User Agreement must further provide that any warranty, indemnification or liability offered or provided by Licensee to its Users comes solely from Licensee, not from Cognex.

D.      **No Right to Resell**.  Cognex does not grant to Licensee, and Licensee does not have under this Agreement, any right to resell or distribute the Software Development Kit to any third party on a standalone basis. Any such resale or distribution of the Software Development Kit on a standalone basis requires a separate written reseller and/or distribution agreement, which separate written agreement Cognex may grant, condition or deny to Licensee in Cognex's sole discretion.

E.      **Free Trial**. Subject to your compliance with the terms herein, you may register for, download, install and use one copy of the Software Development Kit free of charge ("Evaluation Version") solely for the limited purpose of evaluating the Software Development Kit to determine whether to purchase a non-Evaluation Version copy of the Software Development Kit. You may not use the Evaluation Version for any other purposes, including but not limited to, competitive analysis, commercial, professional, or for-profit purposes. You may only use the Evaluation Version for forty-five (45) days from the date you activate and/or register, unless otherwise specified in a separate writing from Cognex ("Evaluation Period"). Unless you pay the applicable license fee for the Software Development Kit, the Evaluation Version will become inoperable at the end of the Evaluation Period and, in any event, your right to use the Evaluation Version automatically expires at the end of the Evaluation Period.  Evaluation Versions are limited to one (1) per Organization.  Organizations or

individuals within their control may not sign up for accounts using multiple email addresses such that the same Organization receives more than one Evaluation Version of the Software Development Kit. Additional trial terms and conditions may appear on the trial registration web page. Any such additional terms and conditions are incorporated into this Agreement by reference and are legally binding. ANY DATA LICENSEE ENTERS INTO THE SOFTWARE DEVELOPMENT KIT, AND ANY CUSTOMIZATIONS MADE TO THE SOFTWARE DEVELOPMENT KIT BY OR FOR LICENSEE, DURING LICENSEE'S FREE TRIAL WILL BE PERMANENTLY LOST UNLESS LICENSEE ORDERS THE SAME SOFTWARE DEVELOPMENT KIT AS COVERED BY THE TRIAL, OR EXPORTS SUCH DATA, BEFORE THE END OF THE TRIAL PERIOD. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, DURING THE FREE TRIAL PERIOD THE SOFTWARE DEVELOPMENT KIT IS PROVIDED "AS-IS" WITHOUT ANY WARRANTY OF ANY KIND WHATSOEVER, WHETHER EXPRESS, IMPLIED OR STATUTORY, AND COGNEX DISCLAIMS ANY AND ALL SUCH WARRANTIES. BY DOWNLOADING, ACCESSING OR USING THE SOFTWARE DEVELOPMENT KIT ON SUCH A BASIS, LICENSEE ACCEPTS THE SOFTWARE DEVELOPMENT KIT ON AN "AS IS" BASIS AND WAIVES ALL EXPRESS AND IMPLIED WARRANTIES AND CONDITIONS DURING SUCH PERIOD OF USE. NO SUPPORT OR SERVICE LEVEL OBLIGATIONS OF COGNEX SHALL APPLY TO SUCH FREE TRIAL USE.

## 2. Registration; Order Process; Fees; Suspension.

A. If Licensee purchases the License directly from Cognex, registration is automatic at the time of purchase. If Licensee purchases the License from an authorized reseller, Licensee must register the License by contacting sdksales@cognex.com before technical support or upgrades for the Software Development Kit can be made available. Licensee shall order Software Development Kit or Services by executing an Order Form (manually or submitting the Order Form electronically on Cognex's website).

B. Except as otherwise specified in this Agreement or in an Order Form, all payment obligations of Licensee are non- cancelable and fees paid are non-refundable. Unless otherwise agreed to in writing, all payments shall be made upfront by the methods set forth in the applicable Order Form or offered on Cognex's website for the Software Development Kit. Any invoices will be issued and sent to Licensee and are payable by Licensee as specified in the Order Form. In the event Licensee fails to make payments per payment terms as set forth in this Agreement or in any applicable Order Form, and legal enforcement or third party collection efforts by Cognex is deemed necessary, Licensee agrees to pay all reasonable legal fees and costs incurred by Cognex. If any amount owing by Licensee under this Agreement is 30 or more days overdue (or 10 or more days overdue in the case of amounts Licensee has authorized Cognex to charge to Licensee's credit card), Cognex may, without limiting its other rights and remedies, accelerate Licensee's unpaid fee obligations under such agreements so that all such obligations become immediately due and payable, and suspend Licensee's access to and use of the Software Development Kit until such amounts are paid in full. Other than license suspension due to Licensees payment by credit card or direct debit which payment has been declined, Cognex will give Licensee at least 10 days' prior notice that Licensee's account is overdue before suspending services to Licensee. In the event that Licensee's business practices require a purchase order number be issued prior to payment of any Cognex invoices issued pursuant to an Order Form, then such purchase order number must be provided to Cognex prior to the Effective Date of such Order Form, and Cognex will not release any Authentication Files or other license keys to the Software Development Kit or otherwise provide the Software Development Kit and/or Services until Cognex has received payment on the applicable invoice. Licensee's execution and delivery of an applicable Order Form to Cognex without designating a purchase order number shall be deemed an acknowledgement that no purchase order number is required for payment of invoices under such Order Form. Additionally, terms, provisions or conditions on any purchase order, acknowledgement, or other business form or writing that Licensee may provide to Cognex or use in connection with the procurement of Services from Cognex will have no effect on the rights, duties or obligations of the parties hereunder, regardless of any failure of Cognex to object to such terms, provisions or conditions.

C. All License fee payments shall be made in U.S. dollars. Licensee shall be responsible for and shall pay, and shall reimburse Cognex upon request if Cognex is required to pay, any sales, use, VAT, consumption or other tax (excluding any tax based on Licensee's net income), assessment, duty, tariff, or other fee or charge of any kind that is levied or imposed by any governmental authority on the Software Development Kit. Licensee shall pay all fees set out in the applicable Order Form(s). License fees are based on a per-application basis and are an annual renewable subscription. Licensee Applications are classified by business function. If both an Android app and an iOS app serve the same business function, they are considered a single application. The license's device pool would be shared across the platforms. Only one production/live Android app, with a globally unique Package Name, and one production/live iOS app, with a globally unique Bundle ID, is permitted on a single license.

## 3. Ownership and Restrictions.

A.	By downloading, installing, using, or implementing this Software Development Kit, Licensee acknowledges the validity and enforceability of Cognex's copyright in the underlying software and code comprising the Software Development Kit. Licensee may make copies of the Software Development Kit as needed for development and use consistent with the terms and conditions of this Agreement, provided that the number of copies made does not exceed the number of users allowed by the License purchased, as set forth in this Agreement. Licensee may also make a reasonable, limited number of archival copies of the Software Development Kit solely for backup and recovery purposes. In any case, when a copy is created, any copyright notices included in the Software Development Kit must be reproduced in their entirety on the copy.

C. Licensee shall not permit any lien, security interest or other encumbrance to attach to the SDK or Software Libraries. Licensee is expressly prohibited from using any portion or version of the Software Development Kit with any other software or copyrighted work in such a way that any portion or version of the Software Development Kit would be required by the license terms applicable to the other software or work to be (a) made available in source code form, (b) made available without charge or at minimal charge, (c) licensed for the creation of derivative works or (d) which would require Cognex or its licensors to grant any third party any rights or immunities under any intellectual property owned by or licensed to Cognex. Portions of the Software Development Kit may include one or more components that are derived from software subject to a General Public License ("**GPL**"), Lesser General Public License ("**LGPL**") or other open source license. Any such components are licensed exclusively under the GPL, LGPL or other open source license, as applicable, and not under the software license terms hereinabove.

D.	All Software Development Kit Authentication Files, usernames and passwords provided by Cognex are the property of Cognex, and may be revoked by Cognex if Licensee shares them with a third party (except as expressly authorized under this Agreement), if they are compromised, if Licensee breaches any term of this Agreement, of upon any termination of this Agreement.  Licensee shall obfuscate the Software Development Kit Authentication Files, usernames and passwords to ensure that they are not accessible to, and cannot be decompiled by, any third party.

The Software Development Kit is licensed on the open market at market prices, and was developed entirely at private expense and without the use of any U.S. Government funds.

**4.** **Agreement Duration and Termination.** Subject to the terms and conditions of this Agreement, this Agreement begins when the Software Development Kit is downloaded, installed, used or when a License for Software Development Kit is purchased or granted and continues for the subscription period set forth on the applicable Order Form, unless sooner terminated as provided in this Agreement. This Agreement may be renewed for subsequent subscription periods by payment of the license fee set forth in the applicable Order Form. This Agreement shall supersede all older versions of this Agreement including any older Agreements that may be embedded in the Software Development Kit. Licensee may terminate this Agreement at any time by returning the Software Development Kit to Cognex and destroying all copies thereof and ceasing all use, copying, storage, transmission, integration, distribution, public display and performance of the Software Development Kit. License fees paid are non-refundable. This Agreement shall terminate immediately upon notice from Cognex if Licensee fails to comply with any provision contained herein or if the funds paid for the license are returned as insufficient or are not received, and such failure or breach is not cured within thirty (30) days of such notice. Upon termination, Licensee must destroy the Software Development Kit and all copies (in part and in whole, including modified copies, if any) in its possession or control and remove the Software Development Kit from all computers in Licensee's possession or control. Termination of this Agreement shall not affect the Software Libraries bundled and distributed with a Licensee Application and provided to then-existing customers of Licensee under a User Agreement in accordance with the terms of this Agreement, provided that such User Agreement was valid at the time of its execution and such Licensee customer is in full compliance with the terms and conditions of this Agreement and the User Agreement. All restrictions prohibiting Licensee's use of the Software Development Kit and intellectual property provisions relating to Software Development Kit to the benefit of Cognex shall survive termination of this Agreement. Licensee's obligation to pay accrued charges and fees shall survive any termination of this Agreement.

**5.** **Disclaimer of Warranty.** THE SOFTWARE DEVELOPMENT KIT IS LICENSED TO LICENSEE AS IS, WITH ALL FAULTS AND WITHOUT WARRANTIES OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED BY LAW, COGNEX DISCLAIMS ALL WARRANTIES AND CONDITIONS WITH RESPECT TO THE SOFTWARE DEVELOPMENT KIT, WHETHER EXPRESSED, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE, OF SATISFACTORY QUALITY, OF ACCURACY, OF QUIET ENJOYMENT, OF RELIABILITY, OF COMPLETENESS OR LACK OF VIRUSES; WARRANTIES ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE AND ANY WARRANTY OF NON-INFRINGEMENT OF THIRD PARTY RIGHTS. COGNEX DOES NOT WARRANT AGAINST INTERFERENCE WITH LICENSEE'S ENJOYMENT OF THE SOFTWARE DEVELOPMENT KIT, THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE DEVELOPMENT KIT WILL MEET LICENSEE'S REQUIREMENTS, THAT THE OPERATION OF THE SOFTWARE DEVELOPMENT KIT WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE SOFTWARE DEVELOPMENT KIT OR SERVICES WILL BE CORRECTED. LICENSEE, ITS ORGANIZATION, AND ALL USERS OF THE SOFTWARE DEVELOPMENT KIT, ASSUME ALL RISKS WHEN USING THE SOFTWARE DEVELOPMENT KIT.

**6.** **Limitation of Liability; Exclusion of Certain Damages**. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE OR SPECIAL DAMAGES WHATSOEVER UNDER THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, LOSS OF DATA, BUSINESS INTERRUPTION, PERSONAL INJURY, LOSS OF PRIVACY, FAILURE TO MEET ANY DUTY, INCLUDING DUTY OF GOOD FAITH OR OF REASONABLE CARE, FOR NEGLIGENCE OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES WHATSOEVER, ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE DEVELOPMENT KIT OR THE PROVISION OF OR FAILURE TO PROVIDE SUPPORT SERVICES OR HOSTED SERVICES, OR OTHERWISE ARISING OUT OF THIS AGREEMENT, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY) AND EVEN IF COGNEX HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN ANY EVENT, COGNEX'S ENTIRE LIABILITY UNDER ANY PROVISION OF THIS AGREEMENT, AND LICENSEE'S EXCLUSIVE REMEDY HEREUNDER, SHALL BE LIMITED TO THE AMOUNT ACTUALLY PAID BY LICENSEE TO COGNEX FOR THE LICENSE TO THE SOFTWARE DEVELOPMENT KIT FOR THE SIX MONTHS IMMEDIATELY PRECEDING THE INCIDENT GIVING RISE TO THE CLAIM, OR $10.00 USD IF NO LICENSE WAS PURCHASED. THE FOREGOING LIMITATIONS, EXCLUSIONS AND DISCLAIMERS SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EVEN IF ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE. IN NO EVENT SHALL COGNEX HAVE ANY LIABILITY WHATSOEVER RELATED IN CONNECTION WITH LICENSEE'S OR LICENSEE'S USERS' OR CUSTOMERS' USE OR MISUSE OF THE SOFTWARE DEVELOPMENT KIT THAT IS NOT EXPRESSLY

PERMITTED UNDER THIS AGREEMENT.

**7.** **Technical Support.** Cognex provides technical manuals to adequately familiarize Licensee with the Software Development Kit and to assist in application development. Additional support, maintenance plans and service, including training, are available and will be quoted upon request.

**8.** **Export Clause**. Licensee acknowledges that the Software Development Kit is of U.S. origin and agrees not to export or re-export the Software Development Kit or any copy or adaptation except as authorized by United States law and the laws of the jurisdiction in which the Software Development Kit was obtained. In particular, but without limitation, the Software Development Kit may not be exported or re-exported (a) into any U.S. embargoed countries or (b) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce Denied Person's List or Entity List. By using the Software Development Kit, Licensee represents that it is not located in any such country or on any such list. Licensee also agrees that it will not use the Software Development Kit for any purposes prohibited by United States law, including, but not limited to, the design, development, manufacture or production of missiles, or nuclear, chemical or biological weapons.

**9.** **Indemnification**.

A. **Indemnification by Licensee.** The Software Development Kit is an infrastructure tool intended for use with properly licensed applications, media and content supplied by Licensee (the "**Materials**"). It is Licensee's responsibility to ascertain whether any copyright, patent, trademark or other licenses are necessary and to obtain any such licenses to serve and/or create, compress or download such Materials. Licensee agrees to hold harmless, indemnify and defend Cognex, its officers, directors and employees, from and against any losses, damages, fines and expenses (including attorneys' fees and expenses at the trial and appellate levels) arising out of or relating to (i) any claims that Licensee has used any Materials (other than materials provided to Licensee by Cognex) in connection with the Software Development Kit in violation of another party's rights or in violation of any law, (ii) an alleged or actual breach of any representation or warranty set forth in this Agreement by Licensee; (iii) Licensee's or its users or customers' use of the Software Development Kit that is not expressly permitted under this Agreement, or (iv) any breach by Licensee of this Agreement or the License.

B. **Indemnification by Cognex.** Cognex agrees to indemnify and defend Licensee against any court awarded expenses, losses, or damages to the extent arising out of a third party claim alleging that the Software Development Kit, as delivered hereunder, standing alone and unmodified, infringes upon a U.S., European Economic Area member states, Canada, Australia, New Zealand, Japan, China, or South Korea patent or copyright, provided that Licensee provides prompt written notice of such claim to Cognex, grants Cognex the sole right to control, defend and settle such claim, and provides Cognex with all reasonable assistance at Cognex's expense. In the event of a claim or threatened claim under this Section by a third party, Cognex shall either, at its sole option: (a) revise the Software Development Kit so that it is no longer infringing, or (b) obtain the right for Licensee to continue using the Software Development Kit. If neither option (a) nor (b) above is practicable, then Cognex may (c) terminate the Agreement upon 90 days' notice and refund any pro-rata unused, pre-paid license fees received by Cognex. Cognex shall have no liability if the alleged infringement is based upon (1) combination with non-Cognex products; (2) use for a purpose or in a manner for which the Software Development Kit was not designed or intended; (3) use of any older version of the Software Development Kit when use of a newer revision would have avoided the infringement and Licensee has been informed by Cognex about this; (4) any Licensee modification made without Cognex's prior written approval; (5) any modification made by Cognex pursuant to Licensee's (or Licensee's end user Licensee's, where applicable) specific instructions; or (6) any intellectual property right owned by Licensee or licensed from a third party by Licensee (or Licensee's end user Licensees, where applicable) or any of their affiliates. NOTWITHSTANDING THE FOREGOING, IN NO EVENT SHALL COGNEX'S LIABILITY TO LICENSEE UNDER THIS SECTION 9(B) EXCEED THE AMOUNT PAID BY LICENSEE TO COGNEX FOR ANY ALLEGEDLY INFRINGING SOFTWARE DEVELOPMENT KITS DURING THE SIX MONTHS IMMEDIATELY PRECEDING THE ACTION THAT GAVE RISE TO THE CLAIM. THIS SECTION 9(B) AND SECTION 6 STATE LICENSEE'S SOLE AND EXCLUSIVE REMEDY AND COGNEX'S ENTIRE LIABILITY TO LICENSEE FOR THIRD PARTY INFRINGEMENT CLAIMS.

C. The indemnifying party's obligations under this Section 9 are conditioned upon the indemnified party (i) notifying the indemnifying party promptly in writing as to any such claim, suit or proceeding, (ii) granting the indemnified party sole control over the defense and settlement thereof, and (iii) reasonably cooperating in response to a request from the indemnifying party for assistance.

**10.** **Effect of Termination**. Upon termination of this Agreement, your Authentication Files (if any) will be revoked automatically, all licenses granted hereunder will terminate automatically, and Licensee will pay all outstanding fees

due to Cognex. Licensee must destroy the Software Development Kit and all copies (in part and in whole, including modified copies, if any) in its possession or control and remove the Software Development Kit from all computers in Licensee's possession or control. The following provisions will survive termination of this Agreement: (i) any obligation of Licensee to pay for services rendered before termination; (ii) Sections 5, 6, 9, 10 and 13 of this Agreement; and (iii) any other provision of this Agreement that must survive termination to fulfill its essential purpose.

**11.     Assignment**. This Agreement may not be assigned or transferred by either Party without the prior written consent of the other Party.

**12.     Software Audit**. Cognex may conduct an onsite or remote audit of Licensee's use of the Software Development Kit on 30 days' advanced written notice, to determine whether Licensee's use of the Software Development Kit is in conformance with this Agreement. Licensee will reasonably cooperate with the audit, including by providing access to any books, records, or other information that relate or may relate to use of the Software Development Kit. Such audit will not unreasonably interfere with Licensee's business activities. In the event that an audit reveals unauthorized use of the Software Development Kit, Licensee will reimburse Cognex for the reasonable cost of the audit, in addition to such other rights and remedies as Cognex may have. Cognex will not conduct an audit more than once per calendar year during the term of this Agreement.

**13.     Equitable Relief**. A breach of this Agreement adversely affecting Cognex's intellectual property rights will cause irreparable harm to Cognex for which monetary damages will not be an adequate remedy. Cognex shall therefore be entitled to equitable relief in any court of competent jurisdiction, in addition to any remedies it may have hereunder or at law.

**14.     Miscellaneous.** This Agreement sets forth the entire understanding and agreement between Licensee and Cognex regarding its subject matter hereof. Cognex may amend this Agreement at any time by posting the amended terms on its website, with such amended terms to automatically become effective thirty (30) days after posting. Licensee shall not make any representation, warranty or promise to any third party on behalf of Cognex. Terms and conditions in any purchase order which differ from, conflict with, or are not included in this Agreement, shall not become part of this Agreement unless specifically accepted by Cognex in writing. If any provision of this License Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable, and such decision shall not affect the enforceability of such provision under other circumstances, or of the remaining provisions hereof under all circumstances. If Licensee is located within the Western Hemisphere (the Americas), this Agreement will be governed by and interpreted in accordance with the laws of the Commonwealth of Massachusetts, U.S.A.; if Licensee is located anywhere else in the world, this Agreement shall be governed by and interpreted in accordance with the laws of the Republic of Ireland, in both cases excluding its conflicts of laws provisions and United Nations Convention on Contracts for the International Sale of Goods. Any claim, suit or proceeding brought by either party regarding the interpretation, breach or enforcement of the Agreement or the relationship of the parties shall be exclusively filed in and heard by any court with jurisdiction to hear such disputes in (i) Boston, Massachusetts, U.S.A., if Licensee is located within the Western Hemisphere (the Americas); or (ii) the Republic of Ireland, if Licensee is located anywhere else in the world. Failure by Cognex to enforce any provision of this Agreement will not be deemed a waiver of future enforcement of that or any other provision, nor will any single or partial exercise of any right or power hereunder preclude further exercise of any other right hereunder. The relationship between Cognex and Licensee under this Agreement is intended to be that of licensor and licensee. Nothing in this Agreement shall be construed to create any partnership, joint venture, employer-employee or agency relationship of any kind. Neither party has any authority under this Agreement to assume or create any obligations on behalf of or in the name of the other party or to bind the other party to any contract, agreement or undertaking any third party.
